Charlotte's pigs-in-vag confession

KINKY Charlotte Crosby got saucy on a TV cooking show – after revealing she likes Christmas grub up her FANNY.

The 25-year-old was filmed making festive favourite pigs in blankets as part of a feature for men's website *Unilads*.

At the start of the four-minute clip she tells the camera: "We are making pigs in blankets, which is sausages wrapped in bacon."

"Everyone knows how much I like sausages wrapped in bacon...in my vagina!"

Dressed in a grey hoodie the *Geordie Shore* star is shown grinding up mince and wrapping the sausage in bacon.

The team then cooks the phallic snacks before Charlotte announces: "I actually manufactured a sausage that was almost as big as a long rod, then I put two balls on the end and pretended it was a penis."

Drunk tried to shove pool balls up his bum

A YOBB exposed himself in a pub and tried to shove pool balls up his ARSE, a court heard.

Drunken Simon Coleman, 32, attempted the sick stunt after dropping his trousers on the table as he joked around with mates.

He then waved his penis close to a barmaid as she passed him collecting glasses, put his arm around her and pressed himself against her, a judge was told.

Coleman was arrested the following day and told police he had been very drunk in the Yeoman pub in Bristol, but a court heard he publicly exposed himself again two months later in February this year.

He walked into a newsagents and asked for a £14 bottle of whisky and ran out without paying.

Two hours later he walked into Highridge United FC with his trousers down and penis exposed.

Bristol Crown Court heard he then walked into the street and started shouting at people. A driver saw him at a junction with his trousers down.

Coleman, now of Fareham, Hants, pleaded guilty to indecent exposure. Sentence was deferred for six months.

ALLEZ-OOP FOR IT: Anna peels off for screen romps in filthy new drama *Versailles*

STAR: Anna in the new flick

By BRAD CHADWICK news@sundaysport.co.uk

STUNNING Star Wars: The Force Awakens actress Anna Brewster has stripped off in a raunchy French drama series!

The 29-year-old beauty appears as gorgeous and sinister bounty hunter Bazine Netal in the latest record-breaking space epic, and insiders claim her ruthless character will make more appearances in the two sequels.

Now she's just revealed all in an historical TV show called *Versailles*.

Anna has a leading role in the French show as Françoise Athénaïs de Montespan.

Last night, a source revealed: "It's a million miles away from *Star Wars*. It's not kid-friendly at all. There's a lot of sex and nudity."

In the drama, which is set in 1667, the 28-year-old all-powerful king of France, Louis XIV, decides to build the greatest palace in the world... Versailles.

'Wrong' Miss Universe in \$1m porn deal

A BEAUTY queen who was stripped of the Miss Universe crown just seconds after being awarded it has been offered \$1MILLION (£670,000) to star in a PORN FLICK!

Miss Colombia, Ariadna Gutierrez (*above*) was proclaimed Miss Universe in Las Vegas during a live broadcast of the pageant.

But she was forced to hand back the crown just a couple of minutes later after ceremony host Steve Harvey admitted that he read the wrong name and the real winner was Miss Philippines, Pia Wurtzbach.

Now porn giants Vivid Entertainment has offered Ariadna \$1 million to make a sex tape – telling the shortest-reigning Miss Universe she could “benefit” from her experience financially while also “increasing your fame way past that of the new Miss Universe.”

Fappening No.2 hacker arrested

EXPERTS have prevented a new celebrity sex tape scandal after the arrest of a young hacker.

The Bahamas-based IT geek accessed the email accounts of 130 celebs, taking unreleased movie scripts, social security numbers and SEX TAPES.

The alleged hacking activities of Alonzo Knowles, 23, were found when he tried to sell some of the material.

Knowles appeared at a federal court in New York charged with criminal copyright infringement and identity theft and a judge ruled to detain him without bail.

A source close to the investigation said: “Some of the stuff in these sex tapes was red hot – proper hardcore porn, with spunk and taboo acts.”

Last year, hackers broke into female stars' Apple accounts, stole nude photos and posted them on the web in an attack which became known as The Fappening.

I SHOVED 23 QUALITY STREET UP MY BUM

Trip to A&E after festive stunt

TRAGIC MOMENTS: Poor Colin (*above*) took pub pal up on bum fun challenge

AN eccentric who attempted to insert a Quality Street chocolate into his bottom on every day of Advent was rushed to hospital late on Christmas Eve.

Colin Haringey developed an impacted bowel – a solid mass of immovable stools – thanks to his bizarre stunt and had to undergo emergency arse surgery on Christmas Day.

Now back at his home in Rhyl,

By **SIMON DEAN**

simon@sundaysport.co.uk

north Wales, a contrite Colin, 43, said: “I realise now that it was a foolish thing to do.”

“God gave us normal bowel function for a reason. It is sinful to meddle in the workings of the lower middle, and thus God’s work.”

Unmarried Colin, a freelance children’s entertainer, decided to shove the different-shaped sweets into his anus as an alternative to opening the doors on a traditional

Advent calendar.

He explained: “I’ve had an Advent calendar every year since I was about six. This year – after some robust discussions in the pub – I decided to try something ‘different’.

“My mate Nonce Jerry said I should shove Quality Street up my arse every day in December, up until Christmas.

Anus

“He knows they are my favourite confection. I eagerly took up his challenge but now I know – from bitter experience – that the human

anus is an exit for filth, not the arena for silly festive stunts.

“The Lord warns us against the sin of sodomy for a reason.”

Today Colin will attend his local evangelical church for the first time since his mishap.

He said: “I am sure my brothers and sisters will not shun me on account of my hubris and sin.”

A source close to Quality Street said: “As always, we would encourage everyone to enjoy our product responsibly.

“That certainly does not include shoving them up your bumhole.”

THE VOICE OF YOUR BRITAIN

Don't end up as cold cuts for Russians

THE end of the Cold War was meant to herald a whole new relationship between the remnants of the old Soviet Empire and the West.

But soon the truth became obvious. The Russian may have ditched the folly of revolutionary socialism – but he is still a very different creature to the upright Briton.

Years of scratching a living from the snow and tundra has hardened the Russian soul and eroded his God-given sense of decency.

British postman Brian Keithley did not recognise this age-old truth when he married a Russian woman he had met through the electrical internet.

Brian honestly believed this beautiful daughter of Mother Russia was interested in him romantically.

In fact, the nubile Alexandra saw him as a meal ticket.

And, shockingly, her family in the backwoods of darkest Siberia saw him as simply a meal.

This must serve as a warning to all those lonely British men who search for love in the vastness of the Russian steppe.

You may find romance, yes.

But you are more likely to end up as a meal for dead-eyed Russkie hillbillies.

Dog-shagging hubby lands in deep Shih Tzu

A HORRIFIED wife caught her husband having sex with her Shih Tzu dog.

She'd thought John Medley was having an affair with a woman so had set up a hidden camera in their home to trap him.

But she was sickened when the footage showed him molesting her male pet pooch Buster.

Medley, 40, claimed he did it because the mutt was getting more attention than him from his missus.

Vets feared two-year-old Buster would have to be put down because of his injuries but he has recovered and been found a new home.

Medley was banned from owning animals and sentenced to 12 months in jail after pleading guilty to bestiality in Geneva, Alabama.

His lawyer David Harrison said: "He and his wife have salvaged their relationship."

TOPLESS TRUMP!

Would-be Yank President's wife STARKERS

By BRAD CHADWICK
news@sundaysport.co.uk

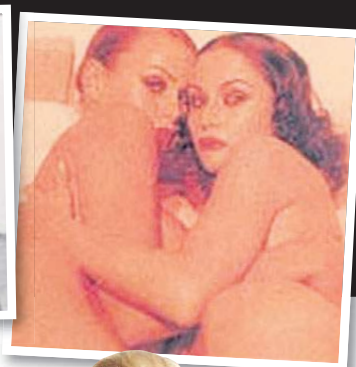

DONALD Trump's stunning wife has denied that "risky" shoots she did when working as a model will derail her husband's bid for the White House.

While Trump, 69, has been mouthing off about the Muslims, his 45-year-old Slovenian-born wife Melania has spoken out.

She said: "People will always judge, and maybe they will say, 'Oh, the past that you have, the way you were modelling,' but that's part of the job I was doing. "I was a very successful model and I did some photo shoots. Yes, they were a little risky, but nothing more than you see in *Sports Illustrated*."

As well as the famed topless shot for *GQ* magazine, there are a host of other pictures on the internet said to be of the third Mrs Trump.

Earlier this year shock jock Glenn Beck claimed a naked two-girl snap (*above*) featured Melania.

The gorgeous 24-year-old revealed a little more than expected in the striped mesh top – with her pert nipples in **FULL VIEW** through the sheer material.

But the *Black Magic* singer didn't seem phased by her wonderful wardrobe mishap as she posed and smiled for photographers on the arm of her boyfriend.

Lovely Leigh-Anne, who won *The X Factor* with girl band Little Mix in 2011, stepped out with her Ashford Town footballer beau Jordan Kiffin at exclusive London restaurant Mews of Mayfair earlier in the week.

The pair, who have been dating for the past two years, enjoyed a romantic meal with a group of pals before heading to well-known celebrity nightclub Mahiki.

MILEY'S PORN STAR DOUBLE MAKES £1M

news@sundaysport.co.uk

IF you are browsing the internet and come across a video entitled *Miley Cyrus Sex Tape*, you're going to have a look, aren't you?

Especially when the lady in the apparent backstage video looks the spitting image of the 21-year-old.

We hate to disappoint but this is NOT Miley Cyrus – even though it's probably just a matter of time before the *Wrecking Ball* singer appears in her own porno!

The lookalike is Caroline Cross, 21, from Nashville, Tennessee, who models as Miley Mae, cashing in on her resemblance to the pop star.

One porn expert said last night: "It's a hard time to make a living in porn these days but Caroline's got star quality. I've heard on the grapevine that she's made at least £1m."

"And, by jiminy, that girl can take cock. She's fooled fans, and I'll bet she's made a million thanks to looking like Cyrus."

A **FLASHER** exposed himself in front of a young family and had sex with several **LAMPPOSTS**.

A court heard how James Malnieks, 34, of no fixed address, was drunk and lying on grass in a field near a primary school when a couple walked past with their two young children.

He knelt up, undid his trousers and exposed himself, shouting lewd remarks to the family.

Before police could arrive Malnieks also went on to simulate sex with a beer can and several nearby lampposts.

He denied committing the offence when questioned by police.

At Bolton Crown Court Malnieks also denied exposing himself near the town's Brownlow Fold Primary School on June 25, but was convicted following a three-day trial.

Judge Graeme Smith adjourned sentencing until January 13 to allow reports to be prepared.

RESIDENTS' COCK 'N' BALLS XMAS ANGUISH

A COCK 'N' BALLS made of Christmas lights is bringing festive misery to a community who see it lit up from the roof of a luxury apartment every night.

Residents call the six-foot tall multi-coloured phallus 'rude and vulgar' and 'inappropriate' as children begin to ask questions.

The outrageous decorations were first displayed in the window of the New York unit, but have since been moved up to the roof of the building.

One neighbour with a young child blamed the 'frat boy mentality' that she said 'douche bags' have brought after moving into the area.

Another resident, Alyson Redinger, said: "It's not right for a family-friendly neighbourhood."

"We called the building management but they are all away for the holiday. We're stuck with it."

● **TENNIS** ace Andy Murray weds his long-term girlfriend Kim Sears in Scotland.

Kim could only hope her new hubby's bedroom game is better than his tennis game – and that he manages to get past a semi more than once every two years.

However, Andy was confident he'd perform well on the night – especially with his mum shouting encouragement from the sidelines.

Meanwhile, Andy's coach Amelie Mauresmo announces she is pregnant. She is a lesbian and was impregnated via artificial insemination.

Which begs the question: did the father use a forehand or a backhand?

● **BUSTY** radio host Sara Cox is revealed as the face of new BBC show, *The Great British Pottery Throwdown*.

That makes sense. Whenever she talks, most people glaze over.

She quite often makes them want to throw a pot. At the radio.

★ THE Conservatives win the general election by a shocking landslide but the Scottish Nationalists also do well, with 56 new MPs coming from north of the border.

There are so many quirks of Westminster they must learn about: special advisors, special committees, Special Branch. The only Special thing they'd known before was Brew.

MEANWHILE, Labour loser Ed Miliband sods off to Ibiza for a post-defeat holiday.

Instead of being installed as the Prime Minister, overseeing his new cabinet, he spends the month on a sun-kissed beach.

Never mind, Ed. Either way you were always going to be surrounded by tits – and I know which type I prefer.

● **SAUDI** Arabia advertises for eight new executioners.

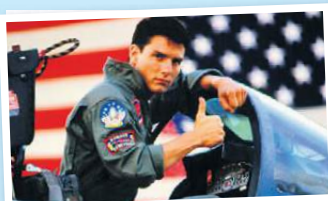

Sounds like a great way to get ahead. Sorry, I mean a great way to get a head. Of course, you don't get to decapitate anyone on your first day. Like all jobs you start with the menial tasks, like giving the main executioner a hand. Or, even better, popping it straight into the bin.

JUNE

● A **BRITISH** backpacker is jailed in Malaysia for stripping naked on top of a holy mountain.

Locals say pretty Eleanor Hawkins' stunt angered the Gods and caused an earthquake.

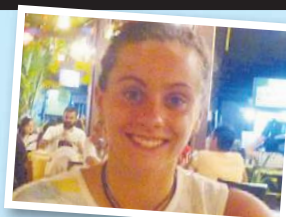

That makes a nice change. When most British lasses get their kit off abroad, it normally causes an eclipse.

THE eagerly-awaited *Top Gun* sequel will star Tom Cruise, reprising his role of fighter pilot ace Pete "Maverick" Mitchell, according to Hollywood insiders.

Of course, it's 30 years on from the original movie, so Maverick will now be well into middle age – and his priorities may have changed a bit.

Altogether now: I feel the need, the need to pee.

JULY

EX-*Top Gear* pals Jeremy Clarkson, James May and Richard Hammond announce their plans to make a new car show for Amazon, the online giant famous for its tax-avoiding prowess.

The first adventure will be a crazy trip from London to Luxembourg via Dublin and the Cayman Islands.

That's not a road trip for the boys. It's just the route that the funding for the show will take.

● **MUSIC** legend Sir Paul McCartney reveals that he used to fancy the Queen – and that he and his mates would admire "the f**king heave on that".

But despite his global fame and fortune, he never got close to bonking her.

The closest he ever got to HRH was Heather's Right Hand.

OF 2015

IT'S been a funny old year, with more ups and downs than a lassie off *Geordie Shore*'s drawers.

But in case you've been drunk since last Christmas, here's News Flasher's take on the big news events of the last 12 months...

NEWS FLASHER!

AUG

● POP stars Nicki Minaj and Miley Cyrus have an on-stage slanging match during a live award show.

Critics have compared the "bust-up" to the trash-talking during a wrestling match but it's totally unfair to compare the two industries.

Some wrestlers can actually sing.

SEPT

● THE Met Office says we should start naming our storms like the Yanks do – and it asks the public to suggest ideas.

How about we use different celebrity names, depending on the severity of the approaching wind speeds?

For example "Hurricane Tulisa" blows so weakly that you'd barely notice, "Hurricane Clare Balding" never blows at all, and "Hurricane Gillian Telford" blows so hard that the emergency services get involved.

LONG-distance runner Paula Radcliffe issues a fierce denial that she has ever been a drugs cheat.

We believe you, Paula, if only for the fact that most dopers are very reluctant to provide a sample...whereas you are quite happy to give one on camera and leave it in the gutter for anyone to analyse.

● THE nation celebrates as Queen Elizabeth II becomes our longest-reigning monarch, surpassing her great-great gran, Queen Victoria.

Cynics say it is no big deal, that all she had to do was sit on a throne and not die.

True, but that's harder than it sounds. Ask Elvis.

OCT

● **EASTENDERS** bosses announce that they have cast a transgender actor to play a role in the soap. Riley Carter Millington, 21, was born female but underwent procedures to become a man.

Well, why not? The *EastEnders* scriptwriters have been spouting bollocks for years...now the actors are **SPROUTING** them.

CLIFF Richard celebrates his 75th birthday – he's not so much wired for sound these days as hooked up to check for a pulse.

For a birthday treat, Sue Barker emerged from a giant bowl of prunes and told him to take his medicine.

He's not really a Young One nowadays. The next time he and his pals pile into a bus for a crazy road trip across Europe, it will be to the Dignitas clinic in Switzerland.

● THE new Bond movie premiers in London – but all the fuss is about the stunning actress Monica Bellucci, who at 51 is the oldest ever "Bond girl".

In one scene which did not make it to screen, 007 uses his special magnetic watch to pull her mobility scooter across the bedroom.

DEC

COUNTDOWN fans get a shock when Rachel Riley spells out the word "SLUT" during the letter round.

Channel 4 apologised for the gaffe and promised that Carol Vorderman would not be allowed to set up the cards again.

Gorgeous Riley should be used to saucy anagrams. Her own name – Rachel Annabelle Riley – can be re-arranged to spell **LEERY ANAL BLEACHER**.

● ISIS loons destroy the historic temple at Palmyra – and promise to keep attacking any ancient ruin of interest to students. Police place a 24-hour guard on Judy Finnigan.

● POP tart Madonna gives an impromptu performance at the scene of one of the Paris terror massacres – as if the poor buggers haven't suffered enough.

You might think it would be hard for someone so famous to travel through the city unnoticed but apparently the French are good at smuggling zee Madonnas wiz zee big boobies.

She was probably rolled up and stuffed inside an amusing sausage.

BOURNEMOUTH Council is criticised for trying to disperse tramps in the city centre by blasting them with bagpipe music.

What?! That is not just cruel but it makes no sense. Surely the bagpipes will just remind them of home.

A good piper knows how to squeeze the bag, blow and finger all at the same time. And so does a good tramp – but you might have to give her a can of Special Brew for her trouble.

NOV

● BBC legend Sir Terry Wogan pulls out of Children In Need. That's NOT to be confused with BBC legend Sir Jimmy Savile pulling out of children in Leeds.

MOVIE icon – well, he was in a good one about 35 years ago – Charlie Sheen announces he is HIV positive.

The actor, who famously dated gorgeous porn star Bree Olson, also admitted having unprotected sex with women AFTER his diagnosis.

Man, that's the worst case of spoilt Bree since the time I accidentally left my Christmas cheese board out overnight.

● A NEWBORN baby boy is found abandoned in the manger of a church Nativity scene. Poor little mite. Still, it could have been worse. Imagine if she'd chosen to abandon him on Good Friday.

'Eskimo' in sexy girls' kit wanted for flashing

A **FLASHER** who dresses in skirts and knee-length boots and tops off the ensemble with an Eskimo-style coat is being hunted by cops.

Officers have received 11 reports since the end of October of a man approaching women in Leicester and 'flashing' at them.

On each occasion, the victims have told cops the man was wearing women's clothing, including skirts, female underwear and knee-length boots.

An artist's impression of the oddball shows him wearing a coat with a fur-lined hood – like those worn by nose-rubbing Inuits from the North Pole.

A similar series of indecent exposures, mainly in the Beaumont Leys area, was reported in March 2013. In those cases, the man was wearing stockings and sussies.

Police have said they are "keeping an open mind" about whether it is the same man.

Det Insp Matt Ditcher said: "We believe that someone in the local community will be able to shed some light on the suspect's identity."

"If you recognise the man in the image please get in touch."

Taking the biscuit killed old woman

A **HUNGRY** old lady died after getting stuck in a wardrobe trying to find some hidden food.

The 84-year-old widow went into the wardrobe to look for some biscuits that her son had hidden from her in a desperate attempt to improve his mother's diet.

The son was worried that the sweet snacks could prove fatal to his mother, who suffered from diabetes.

And the cookie search ended in tragedy for the old woman – because she got stuck in the wardrobe and suffocated in the town of Povoletto in the north-eastern Italian province of Udine.

A spokesman for local police said: "Mamma mia! Is tragissimo!"

GOBBLE NOBBLE

TWO women described as "very busty" lured a 96-YEAR-OLD man into an alleyway with the promise of a blowjob... then robbed him of his pension in Hoboken, New Jersey.

GLAMOUR BABES REVIEW FALL OF THE KRAYS

SYDNEY JAMES

THIS is the best movie I've seen all year.

It's gory, ruthless and you'll leave the cinema exhausted from all the excitement.

I'm a fan of gangster films and this is up there with Goodfellas

I've never had a better time at the cinema. It's by far the best film of the year.

Tickets for *Fall of the Krays* are definitely on my Christmas shopping list for my mates,

and they should be on yours too.

10/10

ROSIE LEE

I MAY have been sat there with two gorgeous girls but right from the start my eyes were glued to the screen.

Fall of the Krays is a real rollercoaster and it doesn't hold back on the gritty violence. I loved it.

It's full of some stellar performances and it is so lifelike. It has an almost documentary feel about it.

I'll be buying it on iTunes on New Year's Day to watch with my bloke.

I can't wait to sit down and watch it with him, he'll love it.

ruthless & you'll cinema exhausted

By SAM WALKER samw@sundaysport.co.uk

THE official UK launch of gritty new flick *Fall of the Krays* is almost upon us.

And we've given *Sunday Sport's* topless film critics a sneak preview.

The epic movie, the sequel to summer smash *Rise of the Krays*, follows the notorious twins Reggie and Ronnie as their criminal empire unravels amid murder, tragedy and betrayal in the 60s.

Brilliantly played by stars Kevin Leslie and Simon Cotton, the movie shows their sadistic tortures, killings and eventual imprisonment and death.

We sent stunning 32E Rosie Lee, 32F Sydney James and 32D Sarah B to a private screening so they could give you their views on the eagerly awaited gangster biopic sequel of the year.

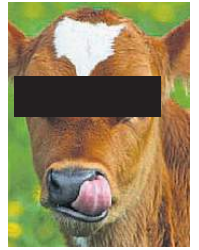

And after sharing popcorn and slurping down their fizzy drinks, the threesome's verdict is now in...

Teen seized for bonking baby cows

AN 18-year-old farmhand was taken to a nuthouse for psychiatric treatment after he repeatedly had sex with two CALVES!

The baby cow sex perv comes from the Indian dairy farm area in Najafgarh, on the outskirts of Delhi.

The youth was taken to the department of Psychiatry and Forensic Medicine at the All India Institute of Medical Sciences (AIIMS) by his shocked parents.

Dr Sujata Satapathy, who is handling the case, said: "He had committed sexual intercourse with two calves, and one calf died during the act."

"Human DNA was detected from the anal and vaginal swabs of calves in a forensic science laboratory."

"The patient had not shown any feeling of guilt or remorse associated with the death of a calf and admitted to the heterosexual practice."

"We tried to treat the teenager, but he ran away and never came back."

SARAH B

THIS film made me cry, it's gorgeous to watch and heart wrenching.

The *Krays* story is absolutely thrilling but tragic at the same time.

Fall of the Krays has everything and I really connected with all of the characters, especially the hot women.

I have to say that it was a little bit too violent for me, the torture scenes and murders are very realistic and I had to turn my head.

Thank goodness I had Sydney and Rosie to cuddle!

BRIT POSTIE KILLED & EATEN IN BRIDE SCAM

Brian went to have lunch with his in-laws... and he was the MAIN COURSE!

MISSING: Brian Keithley vanished soon after going to visit new wife's family in Siberia

A BRIT postie who thought he had found love on a "mail order" bride website was lured to Russia and EATEN by his new love and her family, authorities fear.

Lonely Brian Keithley was "over the moon" according to colleagues when 31-year-old Alexandra Olgov, from the remote Siberian city of Ovgort, agreed to be his bride.

Long-term bachelor Brian paid

By **BRAD CHADWICK**
news@sundaysport.co.uk

for the blonde to come over to his terraced home in Sheffield, S Yorks, and they were married in October.

They then travelled to Siberia in late October to meet Alexandra's extended family – and that was the last anyone heard of the 50-year-old letter deliverer.

The alarm was raised by colleagues when Brian failed to return to work. British consular officials in Moscow made inquiries

with local police...and that's when it emerged that Brian may have been EATEN.

A Foreign Office source told *Sunday Sport*: "The police in Ovgort had long suspected that the Olgov clan were running some sort of scam involving foreign nationals.

"There are four Olgov daughters, all of whom have been married to older men from western Europe and the United States. In each case, the 'husbands' have disappeared. "The regional police raided the

Olgov home and found what appear to be human remains in a cauldron. The natural assumption is that Mr Keithley – and the other victims – have been murdered and scooped.

"The police believe the motive was financial – the 'wives' stood to inherit the husbands' estates and that money would have come back to the Olgov family.

"It's a chilling scenario but that's Russians for you. Eat you and steal your cash as easily as shake your hand."

MANY MOUTHS TO FEED: The Olgov clan's home was raided by cops

PORN IDOL ROCCO: LET ME BE SEX TEACHER

PORN star Rocco Siffredi has launched a petition demanding sex education become mandatory in Italy's schools – and even offered his services as a TEACHER.

"I wanted to launch this appeal because sex is a magnificent thing," the 51-year-old Italian wrote on the website change.org, addressed to education minister Stefania Giannini, that gathered 21,600 supporters in 24 hours.

"I make myself fully available to go into Italian schools and personally promote this initiative."

Sex education is not part of the curriculum in the country's schools.

Rocco, star of 1,300 porn movies, specialises in anal sex and has bummed a host of British babes, including Kelly Stafford and Michelle Barrett.

DEANO ON SUNDAY

The British Empire is NOTHING to be ashamed of

STUDENTS can be right c**ts. I was a student and, yes, I was a c**t. Still am, many would say. Being a c**t is what undergrads do. They pass a few exams, get to university and reckon that they are the dog's bastard bollocks.

Over the past year, students have been particularly c**tish – barring the likes of feminist Germaine Greer on speaking on campus, because she upset the trannies, and demanding “safe spaces” where the delicate poppets are protected from any opinion they don't agree with.

Last week, though, they surpassed themselves. At Oxford University, there's a campaign to pull down a statue of Cecil Rhodes at Oriel College.

Rhodes is one of the men who built the British Empire and, having made a fortune in Africa, he donated a fortune to Oxford University.

Oxford University.

Rum

Now, there's no doubt Cecil was a bit of a rum lad. He managed to swindle an African king out of an entire country which he renamed Rhodesia. A lot of his negotiations were conducted with a Gatling gun. He even used the n-word.

This is enough for the puritans at Oxford to form a campaign called Rhodes Must Fall. They want Cecil Rhodes airbrushed from history and his statue pulled down. The spineless authorities at Oriel have already caved in and ripped down a commemorative plaque to Rhodes.

I'm not entirely sure that it's Cecil Rhodes in particular that the lefty students have a problem with. They are ashamed of the British Empire, full stop.

To which I say: F**K. OFF.

Glory

The British Empire was, without any shadow of a doubt, the finest achievement in the history of humanity – surpassing Rome in glory, grandeur and influence.

Built from a tiny, windswept island on the edge of the North Atlantic, it spread the rule of law, free trade, human rights and our language around the globe.

OK, by modern standards, some of the people who brought the light of civilisation to the far corners of the world were a bit rough 'n' ready.

Mistakes were made. But I'd like to see anyone governing a quarter of humanity without making the odd slip-up.

On the whole, though, it worked. That's why the left hate the British Empire. Every attempt at creating a socialist utopia has collapsed in bloody bankruptcy.

And if you want proof the British Empire ran things better, just look at what happened to Rhodesia, Cecil Rhodes' little corner of Africa. It's now called Zimbabwe.

How's that working out?

Is this the RUDEST flick of 2016?

SWINGERS MOVIE SHOCKS CINEMAGOERS

By SIMON DEAN simon@sundaysport.co.uk

WHEN the preposterous *Guardian* newspaper calls a movie “admirably serious”, that's generally a signal to give it a VERY wide berth.

But Glasgow-based flick *Swung* is most definitely worth a watch – because it's absolutely FILTHY.

David, played by Owen McDonnell, is a jobless designer who can't get it up for Spanish journalist girlfriend Alice (Elena Anaya).

So they decide to go swinging. As you do. Thankfully, and despite the recommendation from *The Guardian*, the film is packed with boobs, bush and sex. There's even throbbing cock, for the ladies.

One cinemagoer said: “For a mainstream movie, it's very, very rude.”

“But it's no *Arsehole Party* #7.”

DJ's BLAST CHRISTMAS MARATHON

A RADIO station was flooded with complaints after a DJ locked himself in the studio so he could play the Wham song *Last Christmas* non-stop.

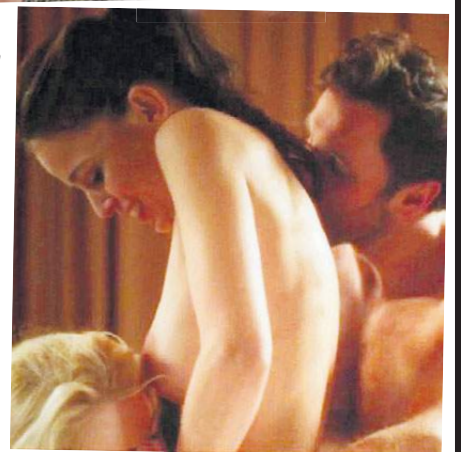

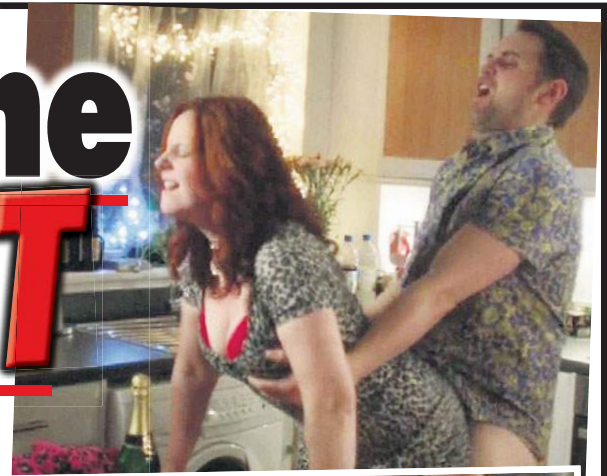

Antenne Carinthia presenter Joe Kohlhofer, 27, started his 8am show by telling listeners he felt people in the area were not in the Christmas spirit.

As a result, he reckoned an Xmas overdose was in order – and that meant playing the classic Yule tune non-stop for his entire two-hour show – an incredible 23 times.

The radio station said he did not have permission for the stunt, before he barricaded the door.

Until then, his colleagues could only look through the studio's windows as he played the song repeatedly.

Kohlhofer, who had been taking calls live on air from hundreds of disgruntled listeners, admitted he decided to stop early after taking a call from his four-year-old daughter, who also wanted him to stop playing the song.

CHRISTMAS PUPPY CATALOGUE PROMISED THIS

FUMING:
Sarah and
Dan ordered
pup for their
son's pressie

LOOK WHAT ARRIVED ON XMAS EVE!

DOG-EARED: Family
were gutted to receive
bedraggled pooch

A MUM and dad who ordered an “adorable” puppy for their three-year-old son were stunned – when a ONE-EYED STRAY arrived on Christmas Eve!

Dan and Sarah Hattersley promised little Josh a Christmas puppy in a bid to stop him screaming during a recent trip to their local supermarket.

Thrifty local government official Dan, of Eccles, Greater Manchester, went online and found what was described as an “adorable, fully house-trained, inoculated puppy” for £26.

The 31-year-old said: “It sounded too good to be true. Turned out, it was. The website promised to deliver by December 19 but by Christmas Eve, still nothing.”

“We were beginning to panic. When I finally got through to the helpline number on the website they said the driver was on the way. Then we heard the van at about 7pm. “I thought ‘Thank God’. They left a big box that clearly had something inside, then the truck sped off.”

Slum

“Can you imagine my surprise when I opened the box and that jumped out? Bloody thing looks like it comes from an Indian slum. “Sarah was all for me taking it round the back and twatting it with a shovel but I couldn’t do that.”

“Our back garden is overlooked and you can guarantee one of our bastard neighbours would report me to the RSPCA.”

Dan managed to smuggle

the dog away to a friend’s farm before Josh saw it.

Sarah added: “Josh was so gutted on Christmas morning and started making a right fuss. We gave him a couple of bottles of Babycham to quieten him down. He’s forgotten all about the dog now. He wants a Wookiee, off of *Star Wars*. Bless him.”

Dan said: “Obviously, there’s been no answer from the people who sold me that dirty old dog. I reckon it’s a disgrace, ripping people off like that.”

“We’re lucky we didn’t all get distemper, or dog AIDS.”

SUNDAY Sport EXCLUSIVE

PAGE TURN-ON: Newspaper fans love the feel and smell of print

Have you seen who's in the papers?!!

BRITAIN'S MOST BIZARRE FETISH EXPOSED

HELPING HAND: Ladies help some fetishists indulge in their kink

WE know plenty of folk get turned on by their Sunday Sport – that's the whole point.

But for some kinksters, it isn't the pics of topless babes that's the turn-on... It's the PAPER itself!

Thousands of people in the UK and many more overseas get turned on by the sight, smell and texture of their morning newspapers.

What's more, there are even ladies, including one Twitter user called @tobewrapped, who help chaps indulge their passion for papers.

Her Twitter feed contains snaps of men wrapped head to toe in broadsheet papers including the *Daily Telegraph* and even *The Guardian*.

Elsewhere on the net,

By BARNEY SAMUELS

newspaper fetishists share their stories on a site called experienceproject.com

User Paperboy wrote: "Long term newspaper fetishist here. I've been away for a couple of years, but I'm back and ready to obey my fetish. Into *Telegraph* and *FT*."

Another called Lorraine shared: "I love the smell, feel of freshly inked newspapers I like to lay them out on my bed and cover myself in them and also wrap my head in them breathing in the smell as I masturbate."

"My ultimate fantasy would be to be wrapped from head to toe in newspaper and played with until I came."

WORLD NEWS

NEW ZEALAND

A GRIEVING widow bathed and cared for her husband's decomposing body for six weeks, refusing to accept he was dead, police said.

Cops initially thought they were probing a murder when the body of the man in his fifties was found in a Wellington home after complaints about the smell.

SAUDI ARABIA

PRINCE Mohammed University suspended a foreign teacher after he played the violin in front of a class of young women.

Bosses said that an investigation had been launched into the incident. Men playing violins in front of women is illegal in the backward state, which is ruled by fat, bearded f**kwhits.

SOUTH KOREA

KIM Moo-Sung, frontrunner to be the country's next leader, has apologised after he said a Nigerian student looked like a lump of coal.

Kim was handing out coal to the needy, along with 40 exchange students, when he held up a lump and said to Babalola Adekunle: "Ha, ha! Your face colour is the same as the coal's."

NORWAY

THE world's largest gingerbread town in Bergen has been refused entry into the Guinness Book of World Records on the grounds that some of the components are not edible.

Pepperkakebyen has 2,000 buildings made out of the snack.

AUSTRIA

FAR-right extremists who mistook St Charles Church in Vienna for a mosque demanded it be pulled down.

What started as a joke in a satirical magazine has been taken seriously by the dimmer neo-nazis.

Hitler was Austrian. Just saying.

GERMANY

VISITORS to the lion enclosure at Duisburg Zoo were shocked to see them feasting on the remains of a zebra which had died of old age and thrown to the lions.

Though Germans were once famed for being a fairly robust people, many zoo-goers were upset to see nature at work.

LEZ HAVE AN OSCAR!

Cate and Rooney's Carol tipped for top gongs

UP FOR IT: Cate and Rooney in line for Oscars

GONG FOR IT: Cate and Rooney get sticky in lesbian flick

CAROL. A movie that could more honestly be titled *Can We Have An Oscar, Please?*

Starring top thespas Cate Blanchett (2 Oscars) and Rooney Mara (1 Oscar nomination, 1 Cannes Best Actress) it tells the story of two ladies struggling to consummate their lesbo lust in the wicked, repressive America of the 1950s.

There's even a cameo for the metropolitan and liberal New York Times – the Big Apple's answer to Britain's *Guardian* newspaper.

By SIMON DEAN
simon@sundaysport.co.uk

That's another tick for Hollywood luvvies.

It's the sort of flick that'll have the Academy Award voters sobbing into their copies of *Variety* magazine and hurling golden statuettes at all involved.

Millions of blokes will be dragged to watch the movie and, in a concession to them, director Todd Haynes has graciously thrown in a bit of naked lady action.

NAZI TATT MP GUILTY OF RACISM

A GERMAN politician has been found guilty of incitement to hatred after he was pictured with a tattoo of the Nazi death camp at Auschwitz.

A photo of Marcel Zech's tattoo was taken at a swimming pool in Oranienburg, near Berlin, last month.

Mr Zech is a member of the far-right National Democratic Party who sits on the council in the district of Barnim in eastern Germany.

He was given a six-month suspended sentence at a court in Oranienburg.

Prosecutors had sought a 10-month prison sentence. The court did not

demand Mr Zech remove the tattoo, but German media reported that he would be required to cover it up whenever he was in public.

While the image in the tattoo is of the Auschwitz-Birkenau death camp, the slogan – Jedem das Seine (to each his own) – appeared on the gate to the infamous Buchenwald concentration camp.

Germany has very strict laws against the promotion of Nazi ideology, which they can often be quite touchy about.

'Tis season
for hookers
to get lolly

A HOOKER has revealed Christmas and New Year are her busiest times of year.

The working girl – who calls herself Natalia Jones – even says she even decorates her sex den with tinsel so punters can feel festive while they're getting serviced.

Natalia said: "I work the Christmas period every year. I decorate the flat just like everyone else does with ornaments, lights and gifts stacked up underneath the tree.

"Christmas Eve is the busiest day for me, although a lot of people come to me drunk after leaving parties, many of whom I refuse.

"I close on Christmas Day because everyone wants the day off, whatever their job is. I'm lucky because not everyone can afford to do that. I work on New Year's Eve and New Year's Day, when it's really busy.

"After that, the rest of January is a drag. It's a really hard time for me, with very little money."

MISS 'BONKED BOY FOR YEARS'

Priest's 'Grindr
sex with boys'

A CATHOLIC priest has been arrested after it was uncovered he had been using the gay dating app Grindr to have sex with teenage boys.

Antonello Tropea, 44, a parish priest in Messinadi, Italy, first caught the attention of authorities after police found him in a car with a teenage boy in a secluded area.

At the time, he told police he was the boy's PE teacher. Italian media also report that condoms and sex lube were found in the priest's bag.

An investigation found that Tropea organised dates with teens on Grindr under the guise of being a sales rep.

Cops found files containing homosexual content on Tropea's smartphone, as well as records of messages seeking out sexual encounters with both men and underage teens, some of whom he paid.

A MARRIED teaching assistant had sex with a 15-year-old boy she once taught in nursery school!

Kyle Damato-Kushel (right), 45, had been having sex with the victim for years, it is alleged.

Her husband reportedly found out about the alleged illicit affair when he woke up to hear their voices inside their family home and, fearing it was an intruder, called the police.

Cops say DNA from Damato-Kushel's FANNY BATTER was found in the boy's underwear.

They say the former aide, who worked at Wooster Middle School in Bridgeport, Connecticut, offered the victim \$900 if he didn't reveal their relationship, but the lad told them their first sexual encounter took place

in Damato-Kushel's husband's man cave. They had sex in a number of other places in their family home and in other places around the town of Stratford, police say.

The victim allegedly got Damato-Kushel pregnant at one point but she had a miscarriage.

She was charged with sexual assault, impairing child morals and tampering with a witness. She didn't enter a plea and was freed on bail.

MAN WITH WORLD'S BIGGEST WILLY TALKS TO **Sunday Sport**...

A STIFFY COULD KILL ME

A MAN with an 18-inch willy reckons supping a newly-launched energy drink gives him a staggering 20 erections a day!

But doctors have warned "human tripod" David Jacques to steer clear of horny pics – like those found in your *Sunday Sport* – because too many stiffies could kill him **STONE DEAD!**

Builder David's bonk-on binge began when he developed a taste for new energy drink Rich Energy.

Underpants

David, 34, said: "Most men reckon I've got a charmed life – a cock you could bang fence posts in with and 20 erections a day.

"But believe me, it's no walk in the park. It's a bugger getting underpants to fit and I can't wear jeans at all.

"When I get a bonk-on I get dizzy and once I even passed out. I've noticed I've been getting a lot more erections since I started drinking Rich Energy. I'm up to 20 a day.

"At first my girlfriend Alice loved it but by the end of the

By **BRAD CHADWICK**

first week she was walking like a gunslinger!"

David, of Watford, Herts, added: "The doctor has said that the strength and frequency of these erections could become a real problem because of the size of my penis.

"He warned that I could get into trouble if I faint and fall into traffic. Essentially, I was told I could be killed by a hard-on."

But a spokesman for Rich Energy denied the drink was behind David's stiffies. William Storey said: "We believe that David's medical condition has nothing to do with the world's leading energy drink, Rich Energy."

"However, as a valued customer we would like to offer David a free lifetime's supply and offer him a tour of our factory."

"Anyone who develops symptoms like David should contact us via our website at richenergy.com"

PRETTY Ashley Emma has a big decision to make on New Year's Eve – which pair of PANTIES to wear!

For the 32D blonde has no fewer than 200 pairs to choose from!

Ashley, from Chelmsford in Essex, said: "I've always had a thing for underwear. You name it, I've got it – lacy, silky, rubber.

"I have even got bras that push you up and squeeze you together. Some even have holes for my nipples!

"Of course, I'm spoiled for choice when it comes to picking what I'm going to wear and it takes me ages to choose.

"Sometimes I just think, 'To hell with it!' and go out commando, with no pants on at all!"

#9 KATE MOSS

By SIMON DEAN
simon@sundaysport.co.uk

THERE'S something very attractive about Kate Moss - and we think we've put our finger on it here at Sunday Sport...

Just imagine for a minute that Kate, 41, was not a millionaire supermodel.

You can quite easily picture her sucking you off while at the same time emptying her bladder behind a skip in her home town of Croydon.

That's it, isn't it? Kate looks really, *really* DIRTY!
We're not saying she is, of course, far from it.

We're just saying that her love of hooking up with scruffy wasters, her willingness to air her lovely little boobs and pissflaps, and her general air of naughtiness suggests that Miss Moss would be very, VERY good fun indeed.

LEXI: I LIKE IT HARD FROM BEHIND

By WENDY THOMAS news@sundaysport.co.uk

ARSE in the air is the only way to go for busty Welsh beauty Lexi Lowe.

The 34FF model from Newport in the south of God's Own Country loves nothing better than a good hard scuttling from behind.

Former police worker Lexi purred: "It really turns me on when a man is in control and I find that doing it doggy-style is the best."

"I love feeling a big guy pounding away behind me and you get deep penetration, it's amazing and makes me climax every time."

The 25-year-old added: "I like a man to be a man. I'm not into all this women being in charge thing – it totally leaves me cold."

"I like a guy who throws me around the bedroom, and I love it if he just uses simple things like a tie or a dressing gown cord to bind me up and drive me crazy!"

Jenny Laird
Age 26, 32DD-24-32, from Tamworth

STUDENTS TALK SEX!

FIRST TIME

SARA: When I was 15 I had sex for the first time with my first boyfriend. He was a virgin as well and we did it in his bed on New Year's Eve. It was planned for about a month before we actually got round to doing it. It actually lasted about an hour because it was very hard to even get it in. We did manage it in the end, of course. It was as good as it could have been.

ANNE: I lost my cherry to my first proper boyfriend when I was 16. We were watching a movie on my bed when things got a little heated and we started having sex. It was totally spontaneous. My fella wasn't a virgin but he was gentle with me and although it was a little bit uncomfortable it was nice overall. Romantic.

OH-NO!

SARA: A couple of months after I lost my virginity I was having sex with my boyfriend on his sofa when his mum walked in on us! She realised what was going on and left the room immediately. I was so embarrassed, I couldn't look her in the eye for weeks afterwards! She was okay about it though, he had older brothers so she'd seen it all before.

ANNE: My worst moment was last year when I was having sex on the back seat of my boyfriend's car in a car park. We were really getting into it when a lorry came and parked right next to us. We just carried on at first until I noticed this hairy lorry driver watching us through the window! It was an instant turn-off and ruined the moment.

FANTASIES

SARA: I'd love to live out my fantasy one day. It's to have sex in a barn in big piles of hay while there's a storm outside. I think it'd be really horny.

ANNE: My fantasy is turning up at my boyfriend's office wearing nothing but an overcoat and then having sex on his desk! It's really naughty, a big turn-on.

OUTDOORS

SARA: I went camping with my boyfriend this summer and we had sex in a tent. I liked it because it was very different but it was really cold and wasn't at all comfortable. I think next time I do it outside it'll have to be on a beach somewhere hot.

I think it's the stockings that turn him on so much!

ANNE: I once had sex in a pine wood with my boyfriend near to where I used to live. We were walking his dog when we started kissing and then started having sex up against a tree. It was very exciting and horny because we knew we had to do it quickly in case someone came past and caught us doing it. The dog was getting very excited, too, which nearly spoilt things.

WILLY SIZE

SARA: The lad I'm dating at the moment has the biggest cock I've ever seen. Honestly, I think it's about nine inches long and my sex life with him has been out of this world since day one. One of the main reasons for that is its extra size, bigger ones are definitely better. When they're really small you can't even feel if they're in or not. It would be hard to cope without a big one now I've had one.

ANNE: I like bigger willies as well. My boyfriend has a good-sized one and I couldn't believe my luck when I first saw it. He's great in bed and sex with him would be good even if it wasn't as big, but it's definitely an added bonus that he's well hung.

THREESOMES

SARA: I've never been offered a threesome but if I was offered one I'd certainly think about it. It would have to be with a guy and another girl. I couldn't contemplate doing it with two guys at once because it would feel like a sex object.

ANNE: My best friend always hints to me saying that if she ever has a

threesome she'll want me to be the other woman! I'm not too sure about it though, I don't think I'd be very comfortable having sex with a girl.

ONE-OFFS

SARA: Since being 16 I've fallen from one relationship into the next so I've never had the chance to have any one-night stands. I like having sex with

boyfriends because it feels special. I'm not sure if I'd ever want to have a one-night stand.

ANNE: I had a one-night stand last year with one of the lads on my course. We'd been on a night out and then I went back to his house for a nightcap. I think we both knew that we were going to end up in bed together. The sex wasn't too good because it was very drunken and was all over within 10 minutes!

BUM FUN

SARA: I think anal sex is something two guys should do rather than what a guy and a girl should do. I'm not totally ruling it out for the future but it's not

something that appeals to me very much.

ANNE: I think it's gross. A lot of my friends do it on a regular basis, some of them love it but most of them don't like it one bit because they say that it hurts a lot! Things should not go up your bum, things should just come out of it. I don't think I'll ever try it.

SEX TOYS

SARA: I've got a glitter purple vibrator that my friends bought me last year at an Ann Summers party. It's okay but it's nowhere near as good as a good hard willy. I'm more into dressing up in the bedroom, I've got loads of costumes – all the usual ones: a nurse, a policewoman, a French maid and a schoolgirl outfit! My favourite one is the nurse costume because it always makes my boyfriend really horny and leads to great sex. I think it's the black stockings that go with it that turns him on so much.

ANNE: The only sex toy I've got is a pink dildo. My friend got it for my birthday and it was a great present! It's not as good as a penis obviously but ultimately it gives the same result and it's useful to have around. Sometimes you need a quick fix, don't you!

TODAY

MONDAY

Watch on telly? Not a lot!

GOGGLEBOX 2015 – C4, 9pm

TELL you what...there's been some proper SHIT on the telly this Christmas. Do the terrestrial broadcasters assume we've all got Sky Movie packages and so churn out any old arsewipe on their

own channels? There are seriously thin pickings today but *Gogglebox* is always worth a watch.

It really has come to this: the only thing worth watching is a show where people watch telly?

The regulars give their verdicts on the year's favourite telly moments.

A big night for Ol' Blue Eyes fans

THE FRANK SINATRA STORY – C5, 9pm

IF you are a fan of Ol' Blue Eyes, C5 have laid on a fantastic treat for you tonight.

The *Frank Sinatra Story*, *Frank Sinatra Live in New York* and *Happy Holidays With Frank Sinatra and Bing Crosby*.

Three hours of history's finest singer. Much better than that bumpitty-bumpitty rubbish the youngsters listen to today.

Tell you what, if Frank had snogged Zoe Ball at a Christmas party, he wouldn't have bragged about it on social media.

But then, he probably wouldn't have bothered with Zoe Ball.

OF THE TELLY

Lev does his walking on the wild side

WALKING THE HIMALAYAS – C4, 8pm

IF you enjoyed explorer Levison Wood's series earlier this year when he walked the length of the Nile, you'll really love this spectacular.

Along the Nile Lev faced crocodiles, warlords and Egyptian officialdom. And now he's taking on the world's mightiest mountain range and – because the lad seems to relish plenty of mither – he's kicking off his stroll in Afghanistan.

Bollocks of solid brass, this bloke. Serious must-see TV.

Terror climax could be a gas

HOMELAND – C4, 9pm

THE last series of *Homeland* finished with a bit of a whimper, which ruined it for many. This latest series – we're on number 5 – has had its moments but Carrie's stressed-out anguish is beginning to wear a bit thin.

Tonight we reach the climax. Will the terrorists succeed, like they did in the attack on the CIA in Series 2? Will the Germans all get gassed? That would be darkly ironic.

Nan but the best for Cath

CATHERINE TATE'S NAN – BBC1, 10.25pm

CATHERINE Tate is one of the best comedians that Britain has produced in recent years and, as well as being funny, she's not one of those comics who feels the need to spout about the latest PC issue of the day.

Nan is one of her best characters – the sort of foul-mouthed old ratbag that you imagine the south of England is packed with.

Here in the north, old ladies are not foul-mouthed and are too busy scrubbing their front step to swear.

TUESDAY

The Morse the merrier?

INSPECTOR MORSE – ITV3, 5.40pm

ARE you not back at work yet?

You'll wish that you were because now the turkey's eaten and the presents have all been broken the telly really goes off a cliff.

This classic episode of Morse, *The Last Bus To Woodstock*, dates back to 1988 and is based on the first Morse book, which came out in 1975.

Still, Morse is always a good way to fill in a couple of hours.

ITV must have shoehorned in a fair few extra ads because this one runs for 2 hours 20 minutes.

Tom showed 'em who's Who

DOCTOR WHO – BBC4, 7pm

THE new *Doctor Who* is a massive smash on BBC1 at the moment with that swearsy one off *The Thick of It* in line to get a shitload of awards.

But for we gentlemen of a certain age, there's only one Doctor – Tom Baker (left).

Floppy hat, big scarf, jelly babies. That's exactly what a Time Lord needs.

Tonight, the Doctor is threatened by an insane computer. Is there any other kind?

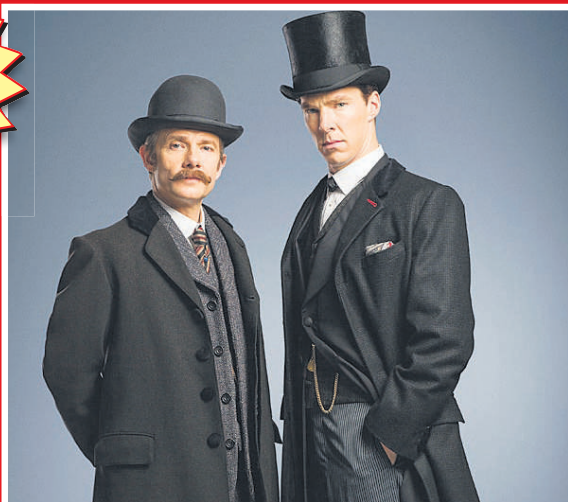

DON'T MISS THIS!!!

SHERLOCK – New Year's Day, BBC1, 9pm

IF f**king horse-faced Benedict Cumberbund can manage to stop himself delivering a monologue about Syrian refugees halfway through, this long-awaited show should be quite good.

Steven Moffat and Mark Gatiss have done a wonderful thing by bringing the Sherlock Holmes books up to date, and you can tell they are mad fans of the original.

And whatever you say about him, Benedict Cumface is very good at reading out words written by other people.

SEX MAN STOLE BUTT PLUG

TERRIFIED: Christopher Masters took sex toys

By COLIN HURST
news@sundaysport.co.uk

A KINKY shoplifter was nicked for stealing a BUTT PLUG and a portable synthetic vagina – because he was too embarrassed to buy them!

Christopher Masters, 33, was arrested after a manager at a Spencer's Gifts store in Vero Beach, Florida, reported seeing him stick two sex toys down his shorts.

The sex toys were described as an "Arouz'd screw butt plug" and an "Arouz'd stroker – can", both designed for masturbation purposes.

The cost of both products came to \$29.98 (£20).

When Masters left the store with his shorts allegedly loaded with toys, store security

detained him. The security staff told police that Masters admitted that he had enough money to pay for them, but was "too embarrassed to pay for them because they were sex toys".

Masters was arrested and taken to the Indian River County Jail and charged with one shoplifting count.

He was released shortly after midnight after posting \$500 bail – significantly more than the sex toys' value he was allegedly too scared to purchase.

Welcome to the world famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice or experience of our own Agony Angels! This week busty Morgan Lees has been reading your letters. Here's her advice...

Dear Morgan,

OUR neighbours asked us to keep an eye on their house – and their 18-year-old son – while they were away on holiday.

My husband works nights and one evening, bored of channel-hopping, I put on one of my husband's porn DVDs.

I was f**king myself with a dildo when I heard a noise outside.

It was the neighbours' son, who was pissed and he'd lost his key. I went out and told him he could stay at ours and my husband would help him in the morning.

I told him to go in the lounge while I grabbed some drinks but my heart sank when I realised I'd left the blue film running and the dildo on the sofa!

I gingerly peeped round the door and saw he was sitting there watching the porno with a thick nine-inch sticking out of his flies, as he wanked himself off.

I came in the room and grabbed his cock, gave it a long hard suck and straddled him.

He started pumping furiously until we came to a simultaneous climax.

I asked him to keep quiet but he must have told his friends, as a few have been to see me for sex.

What should I do?
 LR, West Yorks

Morgan says...

SAY no! If your husband found out, there would be hell to pay.

Best mate's babe is blowjob queen

Dear Morgan,

MY best mate's bird is really fit – she's 18, blonde with lovely tits and is addicted to giving blowjobs.

Her addiction is well-known around the neighbourhood and she has sucked off five of my mates.

We've been having regular oral sessions in my car, and a couple of weeks ago after many months of trying, she let me shag her.

After I'd taken her doggystyle on the back seat she told me that it was her big fantasy to be filmed while f*cking five blokes.

I said to her that I would see what I could do.

Not surprisingly I found some volunteers and last week me and four mates knobbed her for three hours.

She was wearing black stockings and sussies when we got to her flat.

She didn't have them on for long and I did her from behind, while another guy slid underneath and took her up the arse.

Another mate with a nine-inch cock thrust it into her mouth and she wanked the other two off.

I saw her again the next night on my own. She wore a saucy nurse's uniform for me and loved it when I tied her to the bed, spanked her lightly and then pounded into her sopping hole.

Now she says that she would like to make another video of her shagging SIX blokes.

We're set to make that video next week.

The only problem is that I feel a bit guilty when I'm with my pal – as he's talking about marrying her.

Do you think that I should tell him that his bird is a right old slag?

SF, Glasgow

Morgan says...

NO. leave her alone, and stop taking advantage of her.

Dear Morgan,

FOR some reason two of my daughter's friends think I'm a superstud!

They're 20 and I'm 44, but they are always sidling up to me and offering sex.

One Saturday night, I gave my daughter and her mates a lift home after they'd been out.

I dropped my daughter off first before taking her mates.

I could hear them giggling in the back seat and then one of them said that I didn't have to take them straight home.

I glanced in the rear-view mirror and they were both naked!

I don't know what came over me but I pulled into a country lane and got in the back seat with them.

I ended up shagging one while the other sat on my face and then doing the same again the other way around.

I've been shagging both for a while but I fear my daughter knows.

What can I do?

RE, Somerset

Morgan says...

THE sensible thing would be to stop – NOW!

Dear Morgan,

ONE of my neighbours is a plumpish middle-aged woman who goes running in a tight jogging suit.

When I see her lovely big bum bouncing down the street I get a massive hard-on.

I fantasise about her sitting on my face while I nibble her clit and pussy.

But it's only a fantasy.

She's seen me ogling her as she runs by but I don't know how to chat her up.

What's the best way I can break the ice with her?

ES, Dorset

Morgan says...

TAKE up jogging and then you can invite her to join you on a run.

Dear Morgan,

I'M so glad it's nearly tennis season as I am addicted to watching women play the sport. All those tight little white shorts and tops get me hard.

You can imagine their tight fannies sluicing about as they run for the ball.

Last summer, I travelled the county where I live to watch as many women's tennis matches as possible.

At one I nearly got caught wanking behind the changing rooms and had to jump in my car and drive away.

Do you think I'm taking too much of a risk?

WF, Durham

Morgan says...

KEEP your dick in your trousers, unless you're watching at home in front of your telly – or you'll end up getting arrested!

THE pursuit of the body beautiful is the modern obsession that threatens the fabric of our society. We have the ridiculous spectacle of grown men forcing themselves into Lycra and "working out" on various "exercise contraptions".

Approximately half of these men will be felled by the resulting heart attack while another 50% try to take a short cut using so-called "steroids", which turns them into murderous psychopaths.

And even if they do manage to seduce a lady with their big muscles, the 'roids will render them impotent.

Why I love showing JESSICA MOORE

my boobs...

By **WENDY THOMAS**
news@sundaysport.co.uk

BIG-BOOBED Jessica Moore is certainly not shy when it comes to showing off what the Good Lord gave her.

As soon as she turned 18, the Hungarian-born starlet started posing for topless photos.

She told *Sunday Sport*: "It's something I always wanted to do. I'm a natural showoff."

And with 34E curves, there's plenty to show off! Juicy Jess soon found that was not enough and moved into the exciting world of adult movies.

Her entry on the Boobpedia website says it all: "Jessica Moore is known as an anal queen among many porn fans because of her well received performances in films such as *Ass Pounders 6*, *DP Fanatics 3*, *Gaper Maker 7*, and a number of other anally oriented films. She has had anal and/or double penetration sex with guys in most of her scenes, according to the International Adult Film Database."

Bristol City **1**
 Charlton Athletic **1**

BRISTOL City kept up their improved run of form with another point.

They looked more confident but had to wait until six minutes into injury time at the end of the first half to open the scoring.

Nathan Baker headed home from a Luke Freeman centre.

City should have doubled their lead in the 62nd minute but Marlon Pack missed a penalty that was awarded when Lennon brought down Kodjia.

The Addicks made their hosts pay in the 93rd minute when they salvaged a point through Lennon who shot into the top corner.

Derby County **2**
 Fulham **0**

DERBY'S good run of form continued with a good win over the Cottagers.

A goalless first half saw the Rams on top without really creating anything of note.

But seven minutes after the break, Fulham gifted the home side the lead with an own goal from Tim Ream.

Derby then piled on the pressure and Jacob Butterfield, who was in fine form all game, shot right footed into the goal to wrap things up for Paul Clement's men to go top of the Championship.

Huddersfield **3**
 Preston NE **1**

THIS War of the Roses was nothing of the sort as Huddersfield thumped their Lancashire rivals.

The Terriers were on top right from the first whistle but only had Nakhil Wells' right-footed finish to show for their dominance in the first half.

Any worries they would pay for their spurned chances were misplaced.

The second half carried on in the same way and Wells notched his second 10 minutes after the break before man of the match Emyr Huws settled the game with a great left-footed strike.

The Lilywhites pulled one back in injury time through Adam Reach but it was all in vain.

Rover and out for Blackburn

BLACKBURN'S home game with Middlesbrough fell foul of the weather.

Ewood Park looked more like the local baths and the ref had no option but to call the game off.

It wasn't the only match to be hit by the wet weather.

The League One games at Blackpool, Bradford, Bury, Rochdale and Wigan all went.

In League Two, Hartlepool, Morecambe, York and Accrington all saw their pitches flooded.

Tigers purring

HULL TOO STRONG FOR BURNLEY BOGEYMEN

HULL gave their Premier League hopes a big boost with an emphatic win over Burnley.

Second-half goals from Jake Livermore, Abel Hernandez and Sam Clucas got the job done.

It was a big win for the Tigers, as Burnley were chasing six victories on the bounce against their promotion rivals.

Both sets of players looked as though they had overdone the Christmas dinner as the first-half was dull as ditch-water.

But the home side at least must have run the calories off as they upped their workrate after the break.

The first goal came when

Hull City **3**
 Burnley **0**

Livermore made the most of it when the ball dropped to him on the edge of the Burnley box.

He fired in a well-aimed shot that gave Tom Heaton little chance.

Andre Grey cost Burnley a packet and he really should have levelled the score when missing a clear chance inside the Hull box.

It didn't take long for the Tigers' top scorer Hernandez to make him pay for his sloppy finishing.

He showed Premier League quality with a curling effort that had the

Clarets keeper grasping at thin air.

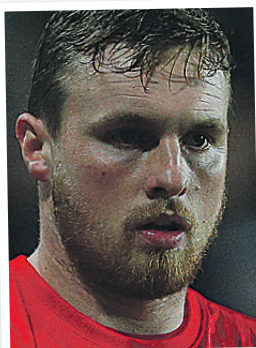

Steve Bruce's boys had little trouble in playing out the final 25 minutes before Clucas put the cherry on top of the cake.

He was there to get on the end of a Robert Snodgrass pull back to complete a miserable day for Heaton.

Burnley have won just one in eight now and have slipped down to fifth in the table.

Almost 22,000 were there to watch the match and Hull boss Bruce (right) must be hopeful of a quick return to the top flight.

This win puts his side third in the table, within one win of overhauling Derby and Boro above them.

BRIGHTON NICK A POINT

BRIGHTON have now gone four games without a win and were lucky to take a point from the Bees.

Albion have slipped to fourth in the table despite having lost just one match this season.

It could really have been two defeats as Brentford had the lion's share of the chances.

Brighton keeper David Stockdale (left) was very much the busier as he kept out efforts from Alan Judge, James Tarkowski and John Swift before the break.

Brentford **0**
 Brighton **0**

He was in action right until the final whistle, making a second stop from a Tarkowski effort.

Jamie Murphy spurned a good chance for Brighton on the hour but it would have been a lucky win.

Albion skipper went off injured and that's a worry for boss Chris

Hughton. He said: "He just felt his hamstring. We are hoping it's not too bad."

"It could be an accumulation of having to play a lot of games, so maybe a little bit of fatigue."

"We will assess that over the next couple of days."

"It was good to get back to clean sheets, which we needed."

"I thought we were better in the second half and we caused more of a threat breaking from deeper."

"But these are a good side. They have got very good options."

Ipswich Town **2**
 QPR **1**

THE Tractor Boys left it late against a resilient QPR to snatch the points at Portman Road.

The opening half was a drab affair until Junior Hoilett gave the Hoops the lead four minutes into injury time, heading home a Leroy Fer cross.

Ipswich came out firing after the break and hit the post through Brett Pitman but had to wait for Jonathan Douglas to equalise with 13 minutes to go.

The drama didn't end there as Luke Chambers sealed the points with a header into the bottom corner two minutes into injury time.

MK Dons **2**
 Cardiff City **1**

THE Dons had the final say with a dramatic winner to leave Cardiff gutted.

The first half was goalless and gave no indication of the drama to follow.

Four minutes into the second half, Nicky Maynard shot right footed into the bottom corner to give the hosts the lead.

Cardiff were patient and thought they had rescued a point through Craig Noone who scored with just nine minutes to go.

But right at the death Josh Murphy hit a left-footed scorcher into the net to secure the win.

Rotherham **4**
 Bolton Wand **0**

IT was the Millers time at Millmoor as Rotherham added to Bolton's woes with a fantastic second half performance.

The first half finished goalless though the home side were on top and it took just 10 minutes after the restart for Grant Ward to open the scoring.

With that the floodgates opened as the Trotters were all over the place.

Danny Ward scored from a difficult angle after 74 minutes before another two in the last 10 minutes from Joe Newell and Johnson Clarke-Harris compounded a miserable time for Trotters boss Neil Lennon.

Sheffield Wed **3**
 Birmingham City **0**

THE Owls moved up to just one place outside the playoffs after a storming win over Blues.

Wednesday were just edging play but it took until the 38th minute for Forestieri to give the hosts the lead when he fired in from close range.

A minute later they were two up when Kieran Lee fired home from the centre of the box.

Birmingham were down and out three minutes into the second half when Forestieri scored a screamer from the edge of the box to wrap up the points for Wednesday.

IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

CHRISTMAS came early for football fans with the banning of Sepp Blatter and Michel Platini. Unfortunately, just like the turkey and the coffee ones in the Xmas sweetie tin they are destined to linger around for far longer than most of us can stomach.

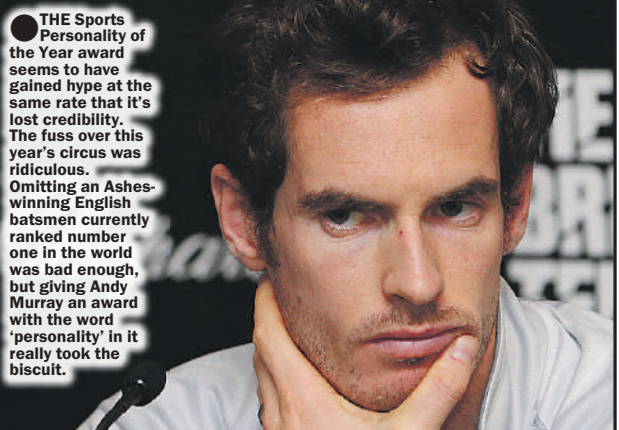

Blatter gave us the worst Terminator impression ever when he cackled "I'll be back" but sporting that plaster and a grubby shaven mosh, he looked more like he'd been sleeping rough in the build up to the ruling.

Platini meanwhile said he was appealing, which is some boast when you look like Gerard Depardieu's dumpy kid brother. Whoever FIFA appoint as President in February will be under intense scrutiny and extremely hard to trust.

I still think the only solution is to disband FIFA altogether and start again but that's not going to happen.

Then of course there's the next step they should take, which is to give both the 2018 and 2022 World Cups to England by way of compensation. Well, it's Christmas, we can all dream can't we?

IT'S unbelievable the lengths some saddos will go to on Twitter. I've lost count of the spoof accounts that have fooled people into retweeting faked national football jurnos announcing Jose Mourinho is the new Man Utd manager or celebs being duped into repeating outrageous supposed quotes from the Special One over the last few days. Grow up for f***s sake!

THERE was shocking news about ex Newcastle, Sheff Weds, Pompey and West Ham 'keeper Pavel Srnicek last week who collapsed with a heart attack whilst out on a run. At just 47, you'd assume he was still in good physical shape, thankfully he seems to be making a recovery. Get well soon Pav!

MERV'S FACT HUNT

Last week I asked: Who was the only Leicester City player to appear for England at FIFA World Cup finals? The answer is Gordon Banks (1962 and 1966 World Cup finals). This week's Fact Hunt is: Which four players won England caps while with German clubs? Answer next week.

TOUR DE FOUR-CE: De Bruyne
(centre) celebrates making it four

Bruyne love as Blues march on

BELGIAN'S QUALITY SHONE BRIGHTLY

KEVIN DE BRUYNE starred as Man City handed out a beating to Sunderland.

The Belgian set up two and scored one himself as the home side cruised to victory.

Raheem Sterling opened the scoring, before Yaya Toure quickly doubled the lead.

Wilfried Bony added a third before the playmaker got in on the act. Fabio Borini got one back for the visitors.

City didn't miss Sergio Aguero, who was left on the bench. There was also the boost of Vincent Kompany being named among the subs, with many City fans thinking the skipper's return will fire them to the title.

Sterling was at the heart of much of the early action.

First he was booked for diving inside the Black Cats' box on four minutes. It looked a little harsh as some refs would have pointed to the spot.

But the winger didn't sulk and nodded City in front with 12 minutes on the watch. He's

not known for his heading skills, but he did well to convert a De Bruyne cross.

The Belgian deserves a big pat on the back after picking up the pieces after Aleksandar Kolarov made a bollocks of his own centre.

Tormenting

And it didn't take long before Sunderland were seemingly dead and buried.

With 15 minutes gone Toure came up with one of his specials.

He made space just outside the box, twisted his marker and smashed a fantastic shot into the back of the net.

There was barely time for the home crowd to celebrate before Bony had made it three.

This time De Bruyne floated in a free-kick that the former Swansea man headed home

from near the penalty spot. Game over, start the car!

It was easy to see why City hadn't lost a home game against Sunderland since 1981 as they made it 4-0 nine minutes after the break.

This time De Bruyne deservedly got his name on the scoresheet.

He made it himself, tormenting the Black Cats defence before stroking the ball home.

Sunderland had the cheek to get one back instantly when Borini picked up the pieces after a Lee Cattermole shot went badly off target.

Slow defending like that explains why City haven't kept a clean sheet in eight games.

The Blues could have run up a cricket score in the closing minutes.

De Bruyne brought a good save from Vito Mannone before Bony was played in a couple of times but couldn't beat the keeper.

ON THE MONEY: Sterling was at the heart of City's efforts

LUCKY: Harry Arter

Bore draw sees Palace move into Euro spot

Bournemouth	0
Crystal Palace	0

BOTH sides settled for a point in a game when the Cherries were lucky to keep all 11 on the pitch.

Harry Arter should have seen red for a crunching tackle on Wilfried Zaha – and his boss took him off before the ref could!

But the draw was a fair result in a game short on clear cut chances.

Scott Dann almost put Palace ahead in the first minute but he couldn't keep his header from a corner down.

And the Eagles went close again on eight minutes when a Fraizer Campbell cross took a wicked deflection that almost looped the ball over Artur Boruc and into the net.

Within seconds the visitors had another opening. Damien Delaney got on the end of the resulting corner and his effort had to be hacked off the line by Simon Francis.

The next chance also fell to Palace when Delaney found Campbell in a dangerous position and the striker's effort went just past the post.

Bournemouth's first opening came on 22 minutes when a Junior Stanislas cross was met by Matt Richie. His flicked header was just past the post.

Flapping

Then the Cherries were up for a penalty. Stanislas was at the heart of it again, this time finding Glenn Murray. The striker went down under a Delaney tackle, but the ref gave nothing.

Bournemouth forced another opening when a deflected shot by Dan Gosling had Wayne Hennessey at full stretch.

Then came Arter's tasty tackle on Zaha that was more than a booking.

That might be why boss Eddie Howe gave him the hook at the break, with Eunan O'Kane coming on.

And the sub almost made a quick impact. He got on the end of a nice Francis move and brought a good save from the Palace goalie.

The keeper was having a good game, but he almost gave Bournemouth a chance when flapping at a cross. Luckily for Hennessey, he grabbed the ball ahead of the attackers.

Palace chief Alan Pardew threw on Tokelo Rantle and his pace caused a few problems.

And he almost got on the end of a Pape Souare corner as Palace pushed for a winner.

PREMIER LEAGUE ACTION: CHELSEA 2 WATFORD 2

SLIP AHoy!

Oscar takes a tumble as he blows points from the spot

OSCAR missed a penalty as Guus Hiddink had to settle for a draw on his Chelsea comeback.

Diego Costa bagged his first goals since November but Watford matched their London rivals blow for blow and their deadly duo Troy Deeney and Odion Ighalo struck to earn a point.

The scores were locked at 2-2 when the Brazilian slipped on his run-up and fired his late spot kick high and wide. It brought back memories of John Terry's horror shot in the 2008 Champions League final.

Hiddink elected to make just one change for his first game back at the Bridge, leaving out Kurt Zouma in favour of Gary Cahill.

Watford can't play loanee Nathan Ake against his parent club, so Jose Holebas replaced him.

Chelsea wasted no time in getting on the front foot and Oscar linked up well with Costa. The big striker got in ahead of the defender but his header was over the bar.

On 10 minutes, Willian almost broke the deadlock when his free-kick was deflected over the bar with Heurelho Gomes struggling.

Despite all their pressure, Chelsea were only creating half-chances as the Watford backline stood firm.

It took brave work by Gomes to dive at Costa's feet and snuff out what would have been a dangerous move as the home side turned up the heat a little.

Then Watford had their first sight of goal when Odion Ighalo flashed his header past the post.

Almen Abdi got a little carried away seconds later when he flashed a 30-yard shot over the bar but it

underlined the confidence the Hornets were playing with.

Just as the crowd was beginning to get a little twitchy, Chelsea took the lead.

The goal came from a corner that was helped on by John Terry into the path of Costa, who made no mistake with a neat finish.

Despite the home side's lead it was an even game and Watford deservedly levelled the match just before the break.

There was a touch of the farce about it as Nemanja Matic decided to handle a Ben Watson cross when he was under no pressure.

Deeney made no mistake from the spot, smashing his shot right down the middle past Courtois.

Hapless

That set up a lively second period and it got more exciting when Watford took the lead.

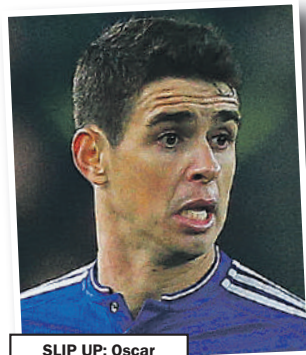

And yet again Ighalo was the main man. He made the most of some poor defending by Cahill to bear down on the Chelsea box before his shot was deflected past Courtois by the hapless defender.

The Bridge was silenced — but not for long. Willian, again a bright spark for the Blues, worked a bit of magic to play in a pass that gave Costa the chance to go around Gomes and level the scores.

Watford were screaming for an offside flag but the big man looked just on.

That set up a grandstand final 25 minutes. The clearest chance came after Valon Behrami clattered into sub Eden Hazard inside the box.

But the least said about Oscar's penalty effort the better.

SLIP UP: Oscar

LOOKING UP: Diego Costa has found his shooting boots again for Chelsea

SPOT ON: Ayew

Villa prove a point as Hammers held again

Aston Villa	1
West Ham	1

JORDAN Ayew struck from the spot as Villa took a hard-won point off the Hammers.

The home side had the better of the chances but fell behind to an Aaron Cresswell strike in first-half injury time.

Villa went closest to snatching a vital win via Alan Hutton as the Hammers grabbed their fifth draw on the bounce.

The Londoners have not won since late October but stay comfortably in midtable.

Villa's back four looked shaky from the off and Brad Guzan came flapping for an early Mauro Zarate cross.

Then Cheikhou Kouyate went close with a header from another poorly defended corner.

Villa had their first pop with 18 minutes on the clock.

Jordan Veretout and Rudy Gesteau combined well and the big man put his header inches wide of the upright.

And the home side spurned another good chance soon after.

Injury

This time Hutton sent in a dangerous cross that was met by a Gesteau header that was almost deflected into the net.

Then it was straight up the other end where Zarate was allowed to bear down on Guzan's goal and brought a good stop from the Villa keeper.

It wasn't until injury time that the game came back to life.

First Kouyate rattled Villa's woodwork with a header before Cresswell gave West Ham the lead.

He was granted the freedom of Villa Park and took full advantage.

He bombed into the home half before blasting his shot into the bottom corner.

The late goal didn't knock the stuffing out of Villa who came flying out after the break.

They won a deserved penalty just shy of the hour mark when Angelo Ogbonna hacked down Gesteau.

Ayew slotted his penalty past Adrian in style.

There was time for one more big chance from the home side. This time, it looked as though Hutton had nicked the points but his header was cleared off the line by James Collins.

SWANS YEUNG AT HEART

SWANSEA climbed out of the bottom three with their first win in more than two months.

Ki Sung-yeung was the hero after he scored the only goal of the match.

Fingers will be pointed at Baggies keeper Boaz Myhill as his winner was something of a farce that should have been dealt with.

But the home side deserved the win as West Brom offered very little worthy of the name attacking.

Swansea's caretaker boss Alan Curtis was a swashbuckling forward in his day and he sent his team out to attack from the off. And it took

Swansea City	1
West Bromwich	0

just eight minutes for the home side to get their just rewards and open the scoring.

There was more than a touch of luck about it after Angel Rangel's shot smacked into the post. The ball then cannoned into goalie Myhill before rolling along the line.

There was Ki Sung-yeung to accept the Christmas gift.

That seemed to wake up West Brom a little and they had an attack of their own on 17 minutes. Chris Brunt his his

free-kick that looked to be harmless until a Leon Britton deflection turned the ball just over the bar with Lukasz Fabianski beaten.

And there was another big chance for an equaliser on half-time. Craig Dawson ghosted in and almost turned in a well-placed corner. Again the Polish keeper would have had no chance.

Then Brunt tried his luck with a long-range effort for the Baggies, but he couldn't get his shot on target.

The second-half saw West Brom go on the offensive a little more and Rickie Lambert almost set up a chance for

James Morrison with a knockdown.

Then the former Liverpool man had a chance of his own that was well saved by Fabianski.

Tony Pulis gambled for the final half hour, putting on Saido Berahino and Stephane Sessegnon as he remembered it's not against the rules to be attacking.

Swansea had the next big chance when Ki Sung-yeung came close to putting a sitter on a plate for Neil Taylor but the full-back couldn't get there.

West Brom huffed and puffed but did little more to test Fabianski.

RECORD: Kane

Kane's goal haul keeps Tottenham flying high

Tottenham	3
Norwich City	0

HARRY KANE set a new Spurs record with his 27th goal of the calendar year.

He had already given Tottenham the lead with a penalty before reaching the Premier League milestone with his second.

Sub Tom Carroll completed the scoring as the home side cemented their place in the top four.

Norwich started with the confidence that won them three points at Old Trafford last week.

Vadislav Odjidja stung the palms of Hugo Lloris with a long-range effort and the Canaries saw plenty of the ball.

It took a good tackle by Jan Vertonghen to deny the Norwich forward again when he was closing in on the Tottenham goal.

But the home side drew first blood on 25 minutes. Kane was just about to reach a well-timed through pass when he was brought down by Norwich keeper Declan Rudd.

The England striker got up to make no mistake from 12 yards out.

Rocket

That goal was the cue for Spurs to turn up the heat and Norwich struggled to stick with them.

Rudd was forced into two excellent saves, first from a Toby Alderweireld header before he jumped up and tipped Dele Alli's follow-up over the bar.

And it was the new England star who created Kane's second goal.

It was a lovely ball from Alli who found the hitman in space before he teed himself up and gave Rudd no chance with a shot that went through Sebastian Bassong's legs.

Norwich were shellshocked but created the first chance of the second half.

Cameron Jerome found some space inside the box and should have done better with his header.

Spurs made sure the points were beyond doubt with 10 minutes left on the clock.

Davies linked up well with sub Carroll, who let fly from around 25 yards out.

The rocket gave Rudd no chance in the Norwich goal.

Kane spurned a hat-trick chance before Lloris rounded off a solid display with two great saves — from Jerome and then Dieumerci Mbokani.

Van Gaal Potters on the brink of getting binned

MANCY SHOWING: Van Gaal's United lose four league games in a row for the first time since November 1961

IF anyone should be saying sorry, it's Louis van Gaal after his United side were smashed by Stoke.

The Dutchman was crying about his unfair treatment by the press on Christmas Eve — but it's the United fans who deserve an apology after this crock of shite.

It was all over by half-time thanks to goals from Bojan and Marko Arnautovic.

LVG showed who's boss — for now at least — by leaving Wayne Rooney on the bench and pushing Anthony Martial up front.

Marouane Fellaini was asked to play in the No.10 position early doors

By MARK NAYLOR

despite the presence of Juan Mata and Ander Herrera on the field.

It was quite cagey in the opening minutes, with the first shot on target coming for United after some dodgy defending by the Potters.

A poor backpass led to Herrera having a go, and it needed and got a solid save from Jack Butland.

Stoke soon got on top and an Arnautovic free-kick was a lot closer to the top corner than David de Gea thought after 11 minutes.

The Potters were in the lead eight minutes later — with more than a little help from LVG's boys.

Memphis showed the strength of a

kitten as his headed backpass dropped well short of De Gea. Glen Johnson nipped in to tee up Bojan who couldn't miss with a side-footer.

Obviously that sparked Van Gaal on to his feet for a touchline rant at his players. Or not, as the Dutchman just sat motionless on the bench, with his usual look of bemusement when the Reds let a goal in.

And as the first chorus of "sacked in the morning" was just dying down, Stoke made it 2-0.

The Potters won a free-kick 25 yards from the United goal. The first effort from Bojan cannoned into the wall, but Arnautovic smashed an unstoppable shot past De Gea.

Again LVG just waved his

clipboard about a bit as his tactics fell apart.

There was something for him to write down on the half hour as a Memphis shot from outside the box brought a sharp stop from Butland.

Fellaini fluffed his follow up from close in but, luckily for the Belgian, the liner's flag spared his blushes.

Fault

Martial was lucky to escape a booking just a couple of minutes later after a theatrical fall failed to win the free-kick he was begging for.

Stoke were pretty much in control heading for the break and they should have made it three.

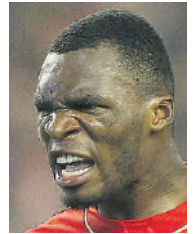

Again a simple pass from Bojan

MEMPHIS BLUES: Bojan pokes in the opener after Depay's (below) blunder

Foxes title bid gets Bent by Christian

Liverpool **1**

LEICESTER'S title dreams took a blow as Liverpool ended their grim run with a win.

Sub Christian Benteke got the winner just after the break.

The Reds were full value for their win which puts them back in the race for a Champions League place.

There was plenty of huffing and puffing in the first half, but not so many clear chances.

Divock Origi was lively and almost got clean through after 10 minutes and it took a good block by Wes Morgan to deny him.

The league leaders had a valid penalty shout when Mama Sakho fouled Shinji Okazaki. It would have been a free-kick anywhere else on the pitch.

Emre Can gave Kasper Schmeichel something to worry about with a 20-yarder before Origi and Philippe Coutinho linked up to warm his palms.

Origi made his own chance on the half-hour, finding space in the box before lashing a shot over the crossbar.

Flustered

It was a blow for Klopp when he limped off just before the break, with Benteke coming on.

Liverpool came out swinging after the break and pushed Leicester back.

Henderson did a Steven Gerrard impression to play in Benteke with a 40-yard pass, but he couldn't make the most of it.

He didn't make the same mistake on the hour.

Roberto Firmino had been largely anonymous again, but he worked a good ball across the area that was well finished by Benteke.

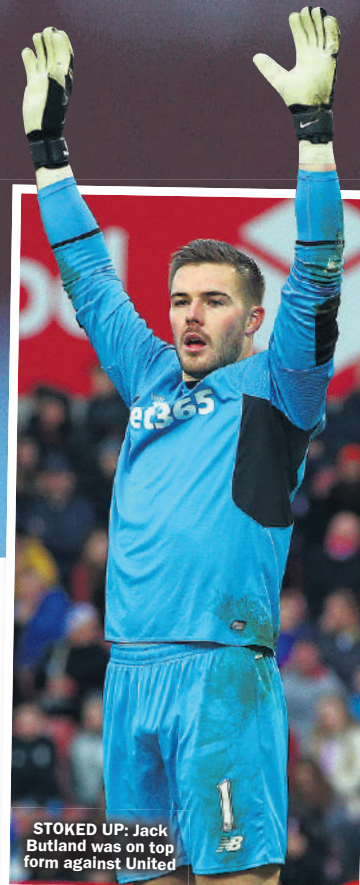

Claudio Ranieri decided to take off Jamie Vardy along with Okazaki and bring on Leonardo Ulloa and Nathan Dyer.

It almost paid off when the latter brought a great save from Simon Mignolet from a close-range effort.

Leicester almost equalised when the home defence was flustered by a cross. The ball eventually found its way to a grateful goalkeeper.

There was time for the miss of the season from Benteke. Schmeichel went up for a corner so as Liverpool broke there was no-one in the Leicester net.

The Belgian dilled and dallied with the ball and his shot was blocked by Morgan.

STOKED UP: Jack Butland was on top form against United

split the United defence and gave Arnaudovic a clear path to goal.

He took his shot too early though and scuffed it just past the post when he could have taken the ball a lot closer.

Ashley Young was at fault – it's almost like he's a winger rather than a full-back, something that seems lost on his manager.

Van Gaal threw Rooney on at the break in place of Memphis who had at least managed to set up a goal – for Stoke.

Bojan was booked for diving in the United box as the second-half spluttered along.

The Potters showed less attacking ambition and invited the

ineffective Reds to have much more of the ball.

Arnaudovic fluffed another good opportunity on the hour when he was one-on-one with Young, he managed to trip over the ball instead of beating his man.

Lobbed

Rooney showed his class a couple of minutes later to set up Fellaini. The England skipper set up the Belgian six yards out but he couldn't beat the brilliant Butland.

That prompted Stoke boss Mark Hughes to swap Xherdan Shaqiri for the beefier Mame Biram Diouf.

Ibrahim Afellay should have done better with a half-chance as

the game headed into its final 20 minutes.

And Stoke almost wrapped it up with an Arnaudovic tap-in, but Young stretched out a leg and turned it back to De Gea.

The home side had another chance when the United keeper had to be at his best to block a Bojan cross-shot. Then sub Charlie Adam almost lobbed De Gea from near the halfway line.

Near the end Martial showed some rare quality to craft his own opening and test Butland. Mata brought another solid stop from England's No.2 in stoppage time.

United played like a midtable team – and now they are one.

VAN GO: LVG is in despair on the bench after Stoke hit their second while (inset) one fan makes his feelings clear

Gaal's a gonner after Stoke shocker

LOUIS Van Gaal's job is hanging by a thread after United crashed to their FOURTH defeat in a row at Stoke.

The Dutchman left Wayne Rooney on the bench and it backfired spectacularly as the Reds went into the break 2-0 down.

Goals from Bojan and Marko Arnautovic left United with a mountain to climb.

And throwing Rooney on — who hasn't scored as a sub for nearly seven years — made little difference. He huffed and puffed

By JOHN ANTHONY

but the Reds were strictly second best at the Britannia.

And the gaffer seems to know he doesn't have a lot of time left. He admitted: "I am part of the four games that we have lost so people are looking more and more at me."

"The players are under a lot of pressure and that pressure will grow and grow with every match."

"They want to perform well but we gave a very bad goal away and that was too much."

"We spoke at half-time and we

played a lot better in the second half. We created one or two chances but you have to score."

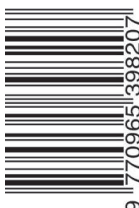

LVG defended his call to leave Rooney out, adding: "I see them in training all week and I am very faithful to the players."

"The circumstances are very difficult."

United now face a megamatch with Chelsea tomorrow before travelling to Swansea on January 2. There's also the little matter of Liverpool away looming a couple of weeks after that.

It's hard to see LVG leading his team out at Anfield unless things change immediately.
